Armada Music is a Dutch independent record label that specialises in releasing electronic music. The name Armada derives from the first two letters of the founders' first names: Armin van Buuren, Maykel Piron and David Lewis. As of December 2015, the label had won the "Best Global Record Label" award for five years in a row at the International Dance Music Awards (IDMA's).

History. Before Remy Zero had released any full-length albums, Radiohead found their demo tape and invited them to be part of the US tour for The Bends. After that, the band moved from Alabama to Los Angeles to record their first album.. Remy Zero's first album, self-titled, drew from these experiences and received little recognition or sales.
